Vision

The 21st century presents numerous challenges that can be overcome with the help of education and technology. Keeping this in mind, Dr. M.G.R. Educational and Research Institute was founded with a vision of equipping students with the necessary skills to face these challenges. Success in the modern world requires more than just academics; individuals must possess technical knowledge and ambitious confidence. Understanding this need, Dr. M.G.R. Educational and Research Institute (Deemed to be University) has dedicated itself to nurturing and grooming young men and women in Engineering, Medical, Dental, and Humanities and Sciences.

About the Faculty of Architecture

The Faculty of Architecture was established in 1993 and restructured in 2011 to meet international standards in architectural education. It offers a variety of programs, including B.Arch., B. Design, and M.Arch., with specializations in Construction Project Management, Interior Architecture, and Landscape Architecture, along with Ph.D. programs. The department emphasizes innovation and societal relevance by addressing issues like the built environment and urban morphology. It provides a dynamic learning experience that encourages architectural aspirants to develop creative and practical solutions to pressing societal needs.
